JOIN OUR
BOARD OF DIRECTORS

Make your precious volunteer time count. Sunshine Community Health Center is one of the largest non-profit organizations in the Mat-Su Valley and impacts over 4,000 individuals.

CONSIDER THIS ...

Before joining any board, consider the following...

What type of experience is most fulfilling for you?

Board service is a form of volunteerism that can have a huge impact on the organization, but if you think that your sense of personal fulfillment requires a more hands-on volunteer opportunity, you may consider direct-service volunteering instead of board service.

You will find board service rewarding. We are looking for individuals who will:

- Attend 12 monthly board meetings annually.
- Actively serve on two committees: Finance, Board Development, Advocacy, Bylaws, and/or Policy.
- Advocate for community needs with local and federal governing bodies.
- Review financial statements with Sunshine's mission in mind.
- Always be curious to learn more about health care and health center governance.

STRENGTHEN YOUR SKILLS

Individuals who serve on a board have an opportunity to...

- Develop and grow as a leader.
- Cultivate new skill sets.
- Expand their network of peers, professionals, and community leaders.
